 Riverine
 Unknown
 River, Streams, Creeks

The wetland data is provided by the State of Michigan.

According to their Wetland Inventory Map disclaimer, the Michigan Department of Environmental Quality (MDEQ) intends the wetland data to be used as one tool to assist in identifying wetlands and provides only potential and approximate location of wetlands and wetland conditions. The MDEQ obtained the data for their inventory from the following agencies and organizations:

1. The National Wetland Inventory (NWI) conducted by the United States Fish and Wildlife Service through interpretation of aerial photos and topographic data.
2. Land Cover as mapped by the Michigan Resource Inventory System (MIRIS), Michigan Department of Natural Resources, through interpretation of aerial photographs.
3. Soils as mapped by the United States Department of Agriculture National Resource Conservation Service (NRCS).

The data provided by the State on this map is not intended to be used to determine the specific locations and jurisdictional boundaries of wetland area subject to regulation under Part 303, Wetlands Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. Only an on-site evaluation performed by the MDEQ in accordance with Part 303 shall be used for jurisdictional determination. A permit is required from the MDEQ to conduct certain activities in wetlands regulated under Part 303.
